High School Success Night
Ridgewood High School
An opportunity for all parents and students to learn about topics related to high school!

February 10, 2015 6:00-7:45pm

6:00-6:30pm (Media) Informal Meet and Greet
What courses are available at Ridgewood High School?
Displays will be set up in the Media for students and parents to view information on the courses and programs offered.

6:30-6:45pm (Cafeteria) General Session
How do I help my student select the appropriate educational pathway?
Selection of courses, graduation requirements, and the 2015-2016 Registration process

Break Out Sessions
Session 1: 6:50-7:15pm
Session 2: 7:20-7:45pm
Choose ONE of the following for Session 1 and ONE for Session 2

iPad- Room 110: We will begin our second cohort of iPad students for the Class of 2019. The iPad program is a one to one program in which students use their iPad for almost all learning experiences. Attend this session to learn more about how this program enhances student engagement and learning. Students must complete the online application to be accepted into this program.

AVID Program- Room 118: AVID, Advancement Via Individual Determination, is a college readiness program that is designed to teach students academic and social skills to help them develop habits and behaviors needed to succeed in rigorous curriculum. Students participate in the AVID elective as a support for their other courses. An application is required to be accepted into this program.

NJROTC-V2: NJROTC focuses on transforming today's youth into tomorrow's leaders. Cadets learn structure and self-discipline in an environment that strengthens character and perseverance.

Pasco eSchool and the On Campus Lab- Room 214: Our Virtual Instruction lab offers students an opportunity to take courses online with access to computers on campus during their school day.

Advanced Placement Program-Room 118: AP is in internationally recognized college-level curriculum taught in high school. 9th Graders can take AP Human Geography as a Social Studies elective.

Certified Career Academies
Health Academy and Biomedical Program-Media
Robotics Academy-V3
Academies help students prepare for initial employment or post-secondary education in high demand occupations. Presentations will include course pathways and the application process.

Set Yourself Up for High School Success-Room 126: Our School Counselor and Graduation Coach will explain the high school graduation requirements, credit recovery, and GPA.

Childcare will be available for school age children.
Activities, crafts and games for children grades K-5 in Room 104.
